

Poli Mortgage Group, Inc. Expands in the South

New Branch Opening in Raleigh, NC

(Norwood, MA) April 4, 2011: Poli Mortgage Group, Inc., headquartered in Massachusetts, announced today plans to expand into North Carolina. This is the fourth new market that Poli Mortgage has expanded to in the last three months.

Edmund “Chip” Poli, the President and founder of Poli Mortgage Group, Inc., says, “We are very happy to announce our expansion into Raleigh, North Carolina. This growth is a testament to the superior service that our existing staff has been providing. Without the amazing performance of our current offices, this expansion would not be possible.”

The new office in Raleigh will be managed by Ashley Pierson, an 18 year veteran of the mortgage and real estate industries. In addition to managing this branch, Ashley will continue to originate loans.

Drew Grandi, Poli's Mid-Atlantic Regional Manager, who has worked with Ashley in the past, says “Ashley is one of the most dedicated loan originators I’ve had the pleasure of working with and am thrilled to have him join the Poli Mortgage team in such a pivotal role. His first objective is to increase the number of Loan Officers in the office in addition to providing his client base with the high level of customer service that he has always provided. “

The Raleigh branch is located at 6500 Falls of Neuse Road, Suite 130, Raleigh, NC 27615. To contact Ashley Pierson directly, please call (919) 850-9994.

Poli Mortgage Group, Inc. is a privately held business founded by Edmund “Chip” and Chris Poli in 2001. Poli Mortgage, with its direct lending power, numerous banking and industry partners, highly secure internal platform & process, and best in class Customer Service, is committed to providing a vast range of customized mortgage programs to satisfy any borrower’s financial requirements. Program offerings include FHA, VA, USDA, FNMA, FHLMC, ARM, debt consolidation, home improvement, and other niche & jumbo loans. For more information please visit www.polimortgage.com.
